## FunMobility announces Ringtone Recorder Pro for the Apple iPhone

FunMobility has recently launched Ringtone Recorder Pro, a premium version of their popular Ringtone Recorder iPhone application. As you can guess for yourself from the name of the app, it allows iPhone users to create their own ringtones on their beloved device. Here's what the original press release is saying about it: Based on customer feedback, Ringtone

## iPhone Ringtones: Create FREE iPhone ringtones using iTunes 8 [Direct Link](#)

Remember those good, old days when creating an iPhone ringtone was as easy as renaming a song in your iTunes library to a ".m4r" extension and then syncing it back with your iPhone? No? Well, trust us when we say that iPhone ringtones were never easier (or free-er) to create. That is, until iTunes 8. With
