FunMobility Ranks 5th in Deloitte's 2007 Silicon Valley Technology Fast 50 List of the Fastest Growing Technology Companies in the Valley

PLEASANTON, CA--(Marketwire - October 31, 2007) - FunMobility, Inc., America's biggest mobile social network, today announced that it ranked 5th on Deloitte's prestigious Technology Fast 50 Program for the Silicon Valley, a ranking of the fastest growing technology, media, telecommunications and life sciences companies in the region by Deloitte & Touche USA LLP, one of the nation's leading professional services organizations. Rankings are based on the percentage revenue growth over five years, from 2002-2006. FunMobility grew 3,757 percent during this period, while the average five-year revenue growth percentage amongst the Fast 50 winners is 1,455 percent. "Deloitte's Silicon Valley Technology Fast 50 companies have shown the strength, vision and tenacity to succeed in today's very competitive technology environment," said Mark Jensen, partner and national director, Venture Capital Services, Deloitte & Touche LLP.

"We are pleased to have been selected again for Deloitte's Fast 50 program for Silicon Valley Internet, Media & Entertainment and Communications Companies," said Adam Lavine, FunMobility CEO. "I would like to thank our employees for their hard work and dedication, as we continue to deliver industry-leading products and services to our customers each day."

FunMobility's products and services are currently distributed on 27 carriers and over 500 mobile handsets. FunMobility customers have viewed and shared over 651 million pieces of content to date through FunMobility's fun and entertaining platform that enables customers to buy, create, share, personalize and rank mobile photos, video, audio and much more all from their mobile phone.

About FunMobility, Inc.

Headquartered in Pleasanton, California, FunMobility delivers a unique mobile entertainment experience with photo-sharing, wallpaper, ringtone and content applications that enable creativity, personalization, and community-building for consumers. FunMobility's technologies provide simplified, flexible development and deployment solutions and services for carriers. FunMobility's FLEX Mobile Application Platform is a highly scalable, modular solution that can be used as a stand-alone development platform or integrate seamlessly into a wireless carrier's existing services and infrastructure to decrease development and deployment times and speed time to market. FunMobility provides carriers with some of the industry's most popular mobile applications including: Wallpaper Universe™, America's Best Mobile Pix™, Ringtones Universe™, TrueTones Universe™, FunGirl DISH™, Chick Talk™, Mobile Comics Network™, Personalized Wallpaper™, MyScreenz™, MyTonz™ and FunMobility Animated Greetings™. FunMobility's mobile applications and services are distributed through all major U.S. wireless carriers.
